

Middleton Cup/Eastern Counties Update

May I take this opportunity to thank those that have nominated this year, an incredible 58 total nominations with many games having over 50.

The Middleton is once again a round robin with 4 games on consecutive Saturdays in June and the regional final in July.

There should have been 5 Eastern Counties games, 4 before the MC to act as trials. However, Cambridgeshire have dropped out. This though gives us the opportunity on the 18th May at Royston to have a trial amongst ourselves as we had 50 nominations for this game.

With this amount of total nominations selection will obviously be incredibly difficult.

The ethos is 'Team' so to everyone, play well, be part of the team and enjoy yourselves at the games. With this I am sure we will have a successful season.

After the Essex ECL game 4th May, teams will be posted for the following week on the website on the Monday morning prior to the game.

Please note for this season it is **Maroon** below the waist

Roger Evans
