

To HB Exec, HBPP secretary, Club secretaries and Selected players

I regret to advise at this late stage that Surrey have declared that they only have 18 players for this fixture on 30th April at Croxley Guild BC

We have already selected the team and published 24 players and two reserves however, Both our Presidents have had to make a difficult decision and revise the previously selected/published team and regrettably disappoint some of our players who will now not be playing.

The six players who are not now playing and in addition to the two nominated reserves are regrettably all now reserves and as follows:-

Reserves nominated

D. Stephenson (Bishops Stortford, N. Chalcraft (Sawbridgeworth)

Reserves (Originally Selected)

J. Thompson (Past President), R. Cracknell (Sawbridgeworth),

A. Munford (Hemel Hempstead), W. Braid (Kings Langley), R. Biggs (Kings Langley), C. Sage (Bushey)

Hertfordshire Bowls and both Presidents deeply regret this situation which has unfolded at the last minute as a result of late notification from Surrey and outside our control.

The host club Croxley are willing to provide rolls for purchase prior to the match and should be pre-ordered to give the club an idea of what is required. Please contact Sue Judge by email above.

John H
