

To all women's county secretaries :-

A message from the women's section of the Hertfordshire county executive

The Covid 19 virus has had a devastating effect on the Hertfordshire women's county friendly nominations as there is still a hesitancy to play albeit after the 21st of June 2021. Concerns have recently been raised as to what will actually happen as we come out of lockdown and what restrictions may still apply and it is with deep regret that the women's section of the county executive have decided to cancel all county friendly games for the 2021 season. We hope to see you all back on the green in 2022 without the fear of Covid at the back of our minds playing normal games without restrictions.

Best Regards
Phil Clewes-Garner
County Match Secretary
