**Message**

**A big thank you to all who nominated for the John's Trophy and Walker Cup.**

**We had over 40 nominations. Those that have attended the Trials have shown their Enthusiasm for the game, and shown the talent that Hertfordshire have .**

**Unfortunately it has made the selection of players incredibly difficult. There was such a high standard of play in the trials, we have decided again, that we will be bringing in changes over all the games. If you are selected for this game, it may change in the next game, please remember you are part of the squad .**

**For those who will be playing for the first time in the John's Team, have an amazing game and enjoy. For those not selected this time, remember the door is always open.**

**Play well and Enjoy.**
