

Thank you so much to everyone who has shown an interest in becoming a Johns Trophy player this year. The response was phenomenal and more than I thought possible in my first year as Team Manager.

Please find the list of invitees to the two Johns Trophy trial days at Hatfield Bowls Club below. You will note that some of you have been invited to only one day and others to both. I must emphasise that this will have no relevance to being selected for the Johns Trophy Squad, it has been purely the logistics of the morning as I do want all players to play two x 10 end games. **I do need confirmation that you have seen this so please email me on ahspr@ntlworld.com or text me on 07984 619086 confirming you will attend.**

If, for whatever reason, you cannot attend the day you have been invited to, it is imperative that you let me know (same contact details as above). If possible, I will try to swap you to the other day. By the same token, should this happen, then another invitee will be slotted in to prevent any rink becoming a triple - you may still be playing both days! NB You will note that I have named three reserves for both trial days. This is because life gets in the way sometimes and, as stated above, I really do not want 8 against 7 or worse. This is not an expectation that you attend (nice if you did though) but to be on standby should I need a replacement. If you could indicate that you are willing to do this then I will be grateful.

I would like to thank all those who nominated but more importantly, apologise to those who were not invited this year. Please don't get disheartened and go and prove us wrong this coming season in all your competitions. There is nothing like success to get you noticed.

Please ensure you arrive by 09:30 to guarantee, as far as possible, a prompt start and finish to the morning. Both days are expected to finish no later than 13:30.

Enjoy the trials, make my job as hard as you can and let's hope the sun shines all day.

Hertfordshire Johns Trophy Team Manager**
