

**Match Report**  
**Eastern Counties League**  
**Hertfordshire v Cambridgeshire**

**Result, Hertfordshire 117 (6pts) Cambridgeshire 121 (16pts)**

The Eastern Counties continued against Cambridgeshire with both team entering the game unbeaten.

As ever the green was in superb condition but unfortunately for Herts the team got off to a slow start this week in complete contrast to the previous week, and so at 5 ends across the board we were 24 down.

Slowly but surely the team clawed their way back into contention and at one point were even up by a couple of shots only for it to just slip away at the end.

Considering the position after 5 ends though it was really pleasing to see the fight back and if Bryn had got a bowl clean on the 20th end rather than half and the jack it could have been a different result. Bowls is sometimes fine margins.

Our thanks go to Welwyn & District BC for their facilities and hospitality.

It was also nice to see a few more supporters but more are always welcome.

Away to Suffolk this week and then a short break before the Middleton Cup v Hunts at St Neots BC Saturday 18th June 2.00pm.

Ruby the mascot is getting the hang of the team photo.
