

Eastern Counties League

To all players who nominated for the Eastern Counties league games on the 14th of July and the 11th of August .

Please note everyone that nominated for the games. After only 24 hours I have had 5 drop outs for the game on the 14th of July. Just to make everyone aware we won our first 4 games and sit at the top of the league but really need to do well in the game against Norfolk on the 14th of July to cement winning the league.

Best Regards
Philip Clewes-Garner
