

"Gentlemen there seems to be a distinct lethargy towards nominating this year. I have tried to make it more flexible than ever for you as I feel that being made to nominate for all games puts a lot of stress on your lives. It's a big enough commitment playing anyway. I am at a loss as to why I have had less than 50% of invites back with only a week left. The e mail for nomination was sent out on the 17th of January (I know some of you didn't receive the e mail and that's why a message was put on the web site on the 11th of February). Thank you to the 30 guys who have responded so far.
