

Middleton Cup v/s Northants 2nd June 2018.

"I would like to thank you all for the hard work and the team spirit today. To win on 4 rinks, draw on 1 and lose on 1 is the very best we were going to get out of the game. Well done to all the new players you did exceptionally well for your first games.

We have 9 points, it's still very possible to turn this round and win the group for the second year. Keep it going guys."

Best Regards
Philip Clewes-Garner
