

“Well done to all the new members of the squad, particularly to Jack Bunting and Sam Andrews who took it all in their stride on a difficult green. We have the makings of a good squad. Could we have done better? Yes, across 4 rinks we were 20 shots up, one with a runaway score and the other 3 holding their own. Of the other two rinks, one was chasing from the word go and I did not hear any banter or noise and the other appeared to lose the plot at eleven all. Is there room for improvement? Yes, undoubtedly and we will get there. Given the fact that there are no speeches and no food after the game I am happy for players to arrive in their playing gear and it is not necessary to change into greys and a blazer after the game.

Please find below the team for the game against Norfolk at 14:00 on Saturday the 8th of June and the squad for the Balcomb Trophy to be played at Newmarket Avenue at 11:00 AM on Sunday the 9th of June.

The squad for the BALCOMB TROPY is to be played at Newmarket Avenue BC., Sunday the 9th June at 11:00 AM. There will be rolls before the game and please report to me by 10:15. No meal after the game. The two rinks will be announced at the game.
