

Match Report
Eastern Counties League
Hertfordshire v Huntingdonshire

Result, Hertfordshire 128 (20pts) Hunts 84 (2pts)

The Senior Mens' Team continued their Eastern Counties campaign with an away trip to Huntingdonshire and a new venue for nearly everyone, Ramsey BC, set in the grounds of the Golf Club and sharing the clubhouse we were warmly welcomed with pre game food which was much appreciated after an early start.

Herts continued with the policy of youth and experience with multiple changes from the week before.

With glorious sunshine the team got off to a flying start being up by 20 shots at 5 ends. This steadily increased throughout the morning to 26 at 10 ends and by the finish a very comfortable 44 shots with 5 rinks winning and the other going very close.

My thanks go to the supporters and of course the reserves that travelled. The importance of reserves travelling was highlighted as there was a late withdrawal due to illness.

Herts continue their campaign this week Saturday 21st May, 10.30am at Welwyn & District against unbeaten Cambridgeshire.

Supporters are most welcome as the County looks to build on an excellent start to the season

Roger Evans
Manager
