

Middleton Cup Update

Bowls England have again changed the morning start time and have reverted to the original timings advised (as detailed below)

To all players, pre game scheduling for the Middleton Cup **9.30am Start**

Please go to the players' entrance next to the ticket booth at the top of Victoria Park, give your name and County and you will receive your accreditation for the day.

Please report to Phil Havord who will be situated in the Grandstand behind B Green, no later than 8.45am. Early is definitely better.

Bowls with stickers to be ready for the umpire 9.05am.

All players/reserves to be dressed in County Shirts and Whites ready for,

Team meeting / Photo 9.15am

It is a momentous occasion and we need some good photos, the plan is to have 2 equal numbers in rows, taller ones at the back! A row in front, kneeling. We will have several people on hand with cameras to get some great pictures.

The night before.

For those that want to the plan is to meet in 'Spoons' (opposite the Travel Lodge) at 6.30pm for 1 drink and a get together, those that then wish to go for meals with friends/family or groups can then do so. I trust all will have an enjoyable evening **and an early night** in preparation for 2 games the following day.

We go full of confidence and belief, we go as a Team.

Roger Evans
Manager
