

Match Report
Eastern Counties League
Hertfordshire v Suffolk

Result, Hertfordshire 121 (17pts) Suffolk 109 (5pts)

The senior men continued their ECL campaign with a long trip to Suffolk and the Borough of Eye BC, a superb venue who looked after us in great style with Bacon Rolls and a very large buffet.

These games are ideal opportunities to try things out with the team much changed from the previous game and a few players probably surprised at their playing positions. A statistic from the game, 4 of the leads had a combined age of 62. A great team spirit on the day saw a fast start and a healthy lead of 30 at the half way point. Suffolk rallied well in the second half but the team comfortably held on to win by 12.

Thanks to all those who played and supporters, a long day but worth it.

This puts Hertfordshire top of the ECL league although Cambs are not far behind with a game in hand.

The ECL takes a break now till July, next up is the Middleton Cop v Hunts Saturday 18th June at St Neots BC.

Supporters are very welcome for this as the team start the road to Leamington.
