

Amy Rose Result  
Essex County BC, Sunday 18th July

Morning

Hertfordshire 44 Essex 30

Afternoon

Hertfordshire 41 Surrey 31

The Hertfordshire Amy Rose team travelled to the regional qualifier with a late replacement from the original team due to a covid isolation requirement. A herculean effort from the players in scorching temperatures saw them beat Essex in the morning and with a little over an hours break to find some shade and replenish their energy levels after the morning game, they came out in the afternoon to beat Surry and thus qualify for the semi finals at Leamington on Sunday 5th September. Everyone of the 8 should be applauded for their performances but a special mention must go to Leah Tremlett who stepped in at the last minute and to 11yr old Matilda Methven. Without these two there would be no result or report. I and the team would like to thank all the Hertfordshire supporters who travelled, it certainly made for a fantastic atmosphere.

Roger Evans
