

The next HB Greens meeting will be at Welwyn & District BA on Friday 12th January 2018 at 10am

Subject matter will be a Winter Review and Guest Speakers from Symbio and RTM

The forum members were treated to a discussion and presentation at Potters Bar BC in December 2017 from Sandra and Rod Smale on being awarded IOG Bowling Greenkeeper/Team of the Year.

The subject matter was very informative and enjoyed by those in attendance. There as a very interesting feature article in the January edition of the IOG industry magazine called the Groundsman for those interested. Well done once again Sandra and Rod a fantastic achievement and well deserved.

For those members interested in green keeping courses the following are available:-

The IOG are running a Level 2 Bowling course - Applied Turf Culture at Potters Bar BC on 21st March 2018.

Further information and booking details can be found on the IOG website via the following link

<https://www.iog.org/learning/courses/level-2-bowling-applied-turf-culture-3>

Level 2 Bowling: Applied Turf Culture

Venue: Potters Bar Bowling Club. Explore some of the theory involved in maintaining bowling greens.

Level 1 and Level 2 courses are also being held at Dunmow BC Essex on 11th and 25th April respectively should the Potters Bar date be unsuitable for Level 2 course. Again further information and booking can be found on the IOG website via the following links:-
