

## **BOWLS ENGLAND DATES - 2025 (Version 1)**

Bowls England have come up with some dates, I had hoped for more and the County finals will be a week later. I am sure it will help the clubs to have an early indication in planning their own fixtures.

I now will work on the competitions which will run up to semi-finals, so that greens can be requested for both quarter and semi-finals. Until we receive the Top Club etc dates, we will not guess as we did last year.
