

Groups and venues for inter-county events announced

Bowls England is delighted to announce the groups and venues for its new-look inter-county events for 2025.

The regional finals for Balcomb Trophy, Walker Cup, White Rose Trophy and Amy Rose Bowl will connect our premier domestic competitions with our international programme.

Formats will be consistent with international bowls and players will have the opportunity to demonstrate their skills in several high-quality matches.

These intensive events will therefore form a key part of the player pathway for all those with ambitions of representing England.
