

Last Call to COUNTY FINALISTS

There are still a number of you who have not let me know whether you want a cash prize or a keepsake trophy following you playing in the finals back in July. Some of you haven't let me have their bank details.

I will shortly need to order the trophies so if I have not heard from you by the 20th September, I will assume you want cash, which I will add to your Leamington money, if you also qualified for that. Assuming of course that I have your bank details.

Thanks

Martin
